

SACC RTT CHAMPIONSHIP

July Report

The third round in the championship was cancelled due to works on the AWPR. The MSA approved a proposal to substitute the GAC Sprint at Alford as a scoring round in our championship to allow our registered competitors to score points . The weather was great all day, with bright sunshine and light winds the rain only stating to come on when the last competitive runs had been completed.

Only three of our registered competitors were in Alford to contest the event, and all managed to score competitive runs. The Championship Results are shown below and on the next page.

Colin Baxter in his Impreza was the fastest of our registered competitors , but after the handicapping was applied Roy Kemp came out on top. The reason that Roy had to leave Fort Augustus early is now in training to take over from Dad.....!! See photo below, congratulations to Tegan and Roy .

The last round is on Skye in September, hope you will all be there!

Gerry Potter - Championship Co-Ordinator

Class	Name	Champ Reg No	Car details	Best Time Round 1		Time Secs	Best Time Round 2		Time Secs	Handicap multiplier
				Min	Sec	Sec	Min	Sec	Sec
