

Dear Scottish Motor Sport Clubs

Go Motorsport Live! Knockhill
Sunday 16th August 2015

GoMotorsport and Scottish Motor Sports, will this summer be co-ordinating a motor sport open day at Knockhill, during the mid-season Scottish Motor Racing Championship race day. The event will be a great opportunity for members of the public to get their first taste of club motor sport and find out how easy it is to get involved. We are now looking for clubs to be involved in the day.

The event will showcase all that Scottish motor sport has to offer including; static displays, demonstrations and passenger experiences, giving the public the chance to find out how to get involved in the sport from the people that know best – the clubs. A Production Car Autotest will offer the chance for public passenger rides and a mock Road Rally will give them a chance to test their navigational skills, whilst Trials bike demo's will showcase entry level motorcycle sport.

Would your club like to join us on the day to help spread the message and recruit new members? There is no cost and you would be welcome to bring a competition car / bike or two to illustrate what your club has to offer.

If you would like to be involved or have any questions, please email either rory.bryant@scottishmotorsports.co.uk or Scotland@gomotorsport.net as soon as possible. Space is limited and will be allocated on a first come first served basis.

We look forward to seeing you at Go Motorsport Live!

Kind regards

Rory Bryant
