

Newsletter

Autumn Newsletter circulated at end of October , many thanks to those who contributed in particular to Colin Wallace for an excellent write up on Historic & Road Events.

Newsletter emailed to mailing list and also uploaded to ISSUU an online publication page plus SACC website.

The next Newsletter will be the Winter Edition (Deadline 1st December)

I am keen to try and include round ups from various different championships – please send in a short round up so it can be included.

Updates have been emailed around the mailing list when required.
