

# SACC RTT CHAMPIONSHIP

## September Report

The final round in the championship was held in Skeabost Forest on the Isle of Skye and had 22 entries. Unfortunately family commitments meant that I was unable to be on Skye for the event ,but it seems to have gone well and the change in running direction was well received and made the event safer.

### Final Standings

#### Overall

**First** Paddy Munro 83 points      **Second** Liam Wood 59 points      **Third** Kenny Finlayson 49 points

**Class 1** Mairi Ross 14 points      **Class 2** Billy Falconer 12 points      **Class 3** Kenny Finlayson 12 points

**Class 4** Liam wood 17 points      **Class 5** Kevin Ronaldson ,Sandy Mackenzie and Scott Kerr each 8 points

**Class 6** Steven Ronaldson 16 points

The full details are attached.

As inspection of the full results table will reveal very few of the competitors competed on more than 2 rounds, a lot only did one round which is why there are several multi-way ties in the Class classifications. It is hoped that the return of HCC's Fort Augustus RTT next May will encourage a bit more interchange between the events.

The Provisional calendar for 2017 is:-

Fishnish Forest	Mull Car Club	1 <sup>st</sup> April
Fort Augustus	HCC	6 <sup>th</sup> May
Drumtochty Forest	SDMC	8 <sup>th</sup> July
