

# SACC RTT CHAMPIONSHIP

## August Report

The second round in the championship at Fort Augustus, organised by HCC, unfortunately had to be cancelled, so the next round was the Drumtochty RTT organised by SDMC.

The venue was Drumtochty Glen near Auchenblae, with the stage comprising 1.7 miles in Drumtochty South Forest.

Setting up on Friday evening was 'challenging' that is to say the rain was tropical in intensity (but not in temperature!) and to add to our misery the rain ceased just as the last stake was being driven in! Ho Hum!

To everyone's relief (or mine anyway) the weather on Saturday morning was dry, if a bit cloudy, and improved during the day, with bright sunshine and light winds. There were 19 entries, of which 18 actually started the event. Although this was below the minimum entry sponsorship from Helix Oilfield Services meant that the shortfall was covered and the Club agreed to run the event.

All the competitors were very pleased with the day, competition was fierce right up to the end with all but three of 'best times' being recorded in the last two runs of the day, eight in the last run! This is a testament to the quality of the roads, helped in no small way by it being a nice dry day.
